

PARISH COUNCIL NEWS from the May 2016 Meeting

WEBSITE – The parish council website is now up and running at www.embertonparishcouncil.co.uk and is very much a work in progress. If you have an organisation or business based in Emberton that you would like featured on the website, please get in touch with the clerk. Emberton based organisations can have their own web page free of charge but they will be responsible for updating information and be aware that if they have any offensive or misleading material on their webpage, the parish council reserves the right to remove it. If you have any photos of the village that you would like featured on the website please send them via email to the clerk. The website will also feature news which needs to be circulated at short notice so please do look regularly for updates. The parish council is very much open to suggestions as to what residents want to see on the website and look forward to hearing your views.

WEST LANE & HIGH STREET RESURFACING – The parish council would like to thank residents for their patience and co-operation during the recent resurfacing of West Lane and the High Street. A meeting between MKC highways and members of the parish council is being arranged to look at other areas in the village which require some attention.

MAYOR & MAYORESS OF MILTON KEYNES – On behalf of all the residents of the village, the parish council would like to thank and congratulate Keith and Vicki McLean on a very successful year as Mayor and Mayoress of Milton Keynes and for representing Emberton so well.

DOG WASTE BIN, NEWPORT ROAD – Following a request from a resident, a dog waste bin will be installed along the grass verge between Newport Road and Prospect Place, taking the total of dog bins in the village up to six.
