

WHAT CAN LOCAL COUNCILS DO?

The powers which have been vested in parish, town and community councils by Acts of Parliament are summarised below. Each description is brief and is intended to give a general indication. Like all powers given to public bodies the powers of local councils are defined in detail in legislation and these details may include a requirement to obtain the consent of another body (for example the approval of the principal authority to the provision of a car park). Local Councils must exercise their powers also subject to the provisions of the general law (for example planning permission is necessary for a sports pavilion). Information on all these details should be in the hands of the Clerks of the Council.
